

Enterprise Analyst Partnership Roadmap

First of all, thank you for your interest in our tool and your confidence.

In this document is described the Enterprise Analyst Partnership strategy. Depending on the quantity of the licenses sold, we will be able to offer different benefits to our Partners.

Partner Registration

The first step is Partner registration. Please use this link to provide your basic information:

<https://cp.shareit.com/shareit/reseller/signup.html?publisherid=200051753&md5=bc6032edea760e9bce9b9265c4c0ce84>

After the approval, we will grant you access to Enterprise Analyst Partnership Program on its Initial stage, and sent further instructions regarding how to place your purchases.

Stage *	Licenses sold	Purchase discount	Additional benefits
Initial	0-20	30%	Priority support
Junior	21-60	35%	Right to use "Enterprise Analyst Workshop" material (4 hours)
Senior	61-100	40%	Right to use "UML Applied with EA" training material (24 hours)
Distinguished	101+		N e g o t i a b l e

* Each stage includes the benefits of all previous stages

We hope Enterprise Analyst will be useful to your customers' and your own business.

Thank you once more and good luck!

Enterprise Analyst Team.
